Prague, June 24, 2022

Dear Ms Klympush-Tsintsadze,

First of all, let us express our most sincere congratulation to Ukraine on becoming an EU candidate country. The Parliament of the Czech Republic has been a strong supporter of your accession and will continue to support Ukraine in the future.

On the occasion of this historical moment it is our honour to invite you, as an EU candidate country, to attend the COSAC Chairpersons' meeting in Prague, the opening event of the Parliamentary Dimension of the Czech Presidency of the Council of the EU.

The whole event will be opened on Sunday, July 10 with a dinner reception held in the Waldstein Garden of the Waldstein Palace. The meeting itself will take place on Monday, July 11 in the Plenary Room of the Waldstein Palace, the seat of the Czech Senate.

The first part of the meeting will traditionally focus on the Priorities of the Czech Presidency of the Council of the EU. The following session will be dedicated to the currently highly relevant topic of Media and Democracy.

Please kindly note that each Parliament of an EU candidate country is entitled to send up to 2 delegates.

We really look forward to welcoming you in Prague in person and to deepen our inter-parliamentary cooperation.

Yours sincerely,

Mr David Smoljak
